

Tender 75/2025

Line	Description	Quantity	UOM
1	Rubber lined Manual diaphragm valve application : 50% HCL and caustic soda transfer pipelines size 20 mm . body length 123 mm end connection : ANSI 150 FF	8	Each
2	Rubber lined Manual diaphragm valve application : 50% HCL and caustic soda transfer pipelines size 25 mm . body length 132 mm end connection : ANSI 150 FF body material : A 126 CL.B +rubber lined	10	Each
3	Rubber lined Manual diaphragm valve application : 50% HCL and caustic soda transfer pipelines size 40 mm . body length 165 mm end connection : ANSI 150 FF body material : A 126 CL.B +rubber lined	6	Each
4	Manual diaphragm valve . Rubber lined application : 50% HCL and caustic soda transfer pipelines size 50 mm . body length 197 mm end connection : ANSI 150 FF	10	Each
5	Rubber lined swing check valve application : 50% HCL and caustic soda transfer pipelines size 25 mm . body length 195 mm end connection : ANSI 150 FF body material : A 126 CL.B +rubber lined	10	Each
6	Rubber lined swing check valve application : 50% HCL and caustic soda transfer pipelines size 40 mm . body length 200 mm end connection : ANSI 150 FF body material : A 126 CL.B +rubber lined	6	Each
7	Rubber lined swing check valve application : 50% HCL and caustic soda transfer pipelines size 50 mm . body length 240 mm end connection : ANSI 150 FF body material : A 126 CL.B +rubber lined	10	Each
